# Hoffman & Hoffman Announces \$13.5 Million Expansion in Greensboro, Adding 131 New Jobs and Retaining 335 Positions

By Jake Keys 12/18/2025 Chamber, Economic Development

Hoffman & Hoffman, Inc., a leader in delivering comprehensive HVAC solutions and building automation services, has announced a \$13.5 million capital investment to expand operations at its new location on Triad Center Drive in Greensboro, NC. The project will create 131 new, high-quality jobs with an average annual salary of \$77,137, while retaining 335 existing positions, reinforcing the company's long-standing commitment to Guilford County and the Triad region. The expansion strengthens Hoffman & Hoffman's operational footprint in the Southeast and reflects the company's dedication to advancing building technology solutions that prioritize sustainability and client success.

Founded in 1947, Hoffman & Hoffman is known for its expertise in designing, distributing, and servicing advanced mechanical systems for commercial, industrial, and institutional customers. The company's continued growth reflects its ability to meet the evolving needs of clients with innovative solutions in energy efficiency, indoor air quality, and building performance.

"As we evaluated locations for our next phase of growth, it became clear that Greensboro and North Carolina offer the right combination of talent, infrastructure, and community support for Hoffman & Hoffman's future," said Jim Bingham, CEO of Hoffman & Hoffman, Inc. "This expansion is more than a business decision; it's a recommitment to the city and state that have supported us for nearly eight decades. Greensboro is where our company was built, and it's where we will continue to innovate and grow."

"This announcement is a strong vote of confidence in North Carolina," said Christopher Chung, CEO of the Economic Development Partnership of North Carolina. "Hoffman & Hoffman has deep roots in Greensboro, and its decision to continue growing speaks to the strength of the local workforce and the relationships the company has built over time."

"Greensboro continues to live up to its reputation of being the easiest place to do business," said Greensboro Mayor Marikay Abuzuaier. "The City commends Hoffman & Hoffman for expanding its operations, while promoting innovation to attract top talent in our local workforce."

"This investment is a clear signal that Guilford County remains one of the best places for companies to grow and succeed," said Melvin "Skip" Alston, Chairman of the Guilford County Board of Commissioners. "By retaining and creating hundreds of jobs, Hoffman & Hoffman is strengthening our economy and enhancing the quality of life for families throughout the county."

"Hoffman & Hoffman decision to expand in Greensboro reinforces the strength of our business community," said Sherri Thomas, Chair of the Greensboro Chamber of Commerce. "This investment reflects a strong partnership between business and community and will bring lasting opportunities for our residents."

The Guilford County Economic Development Alliance, comprised of the Greensboro Chamber of Commerce and the High Point Economic Development Corporation, collaborated with the North Carolina Department of Commerce, Economic Development Partnership of North Carolina, City of Greensboro, Guilford County, Duke Energy, Guilford Technical Community College, Guilford Works, Piedmont Natural Gas, the North Carolina Department of Commerce, and Cushman & Wakefield to support Hoffman & Hoffman's investment in Guilford County.
